

Music by Bill Hinman

Bill and his wife Lori Ann were married on October 28, 2000. In 2002 God blessed them with their son, **Zachary**. He was adopted in November of that year. God has given the Hinman's another little miracle, as they are expecting their second child in December 2004.

Bill has been the regular song leader at Evangel Baptist Church in Springfield since 1997, and he especially enjoys the opportunities he has to do special music from time to time.
